

“ Totton College was instrumental in helping us to make the most of the levy and come up with a training course that suited our needs. Our apprentice is a real asset to the business and we're delighted to have offered her a permanent position. I would definitely encourage more businesses to consider taking on apprentices.

TOTTON COLLEGE **EMPLOYER SERVICES**

MOTOR VEHICLE, WAREHOUSING AND LOGISTICS APPRENTICESHIPS

Totton College provides a work based learning route into employment across a broad range of industries including motor vehicle, warehousing and logistics. Organisations can rely on our dedicated and experienced team to advertise, interview and employ new apprentices or upskill existing staff utilising the apprenticeship scheme.

Delivery

Assessors with industry experience provide exceptional support for apprentices throughout their programme. Some apprenticeships require college attendance one day a week for training complementing the work-based learning with their employer.
